APA ITU SHOPEE.

SHOPEE merupakan salah satu ecommerce/ pusat beli belah secara online yang semakin melonjak naik selepas LAZADA. Kalau dulu kita asyik membeli di LAZADA, kini SHOPEE merupakan pusat perhentian malah pusat membeli belah online NO 1 di MALAYSIA.

Dengan menawarkan PROGRAM FREE SHIPPING bagi pembeli malahan subsidi kepada penjual (seller). SHOPEE benar-benar Berjaya menarik kedua golongan ini memasuki apps mereka.

Shopee overtakes Lazada as the top mobile shopping app

Though Lazada leads in terms of website traffic, Shopee overtook Lazada to rank as the best app on both Google Play and iOS App stores. This is significant as Southeast Asia is a mobile-first region where consumers are more likely to search and compare products using mobile devices.

Ringkasannya:

REBUTLAH PELUANG SEDIA ADA DAN MULAKAN PERNIAGAAN ANDA DI SHOPEE KERANA PADA MASA INI PENDAFTARAN SEBAGAI SELLER DI SHOPEE MASIH PERCUMA. Usah tunggu lagi kerana kelak kita tidak tahu bagaimana pihak Shopee bakal merubah algorithm mereka.

Pengalaman saya sendiri, berniaga di Shopee adalah jauh lebih mudah berbanding LAZADA, 1ST Street dan LELONG.COM

ECOMMERCE	YURAN	DAFTAR	SHIPPING	SISTEM SUPPORT	CAJ
SHOPEE	Percuma	Tanpa SSM	Free shipping via Poslaju DHL , J&T, Ninjavan, GDEX	100% supportive	3% - 6%
LAZADA	Percuma	Perlukan SSM	Free Shipping is an OPTION	Agak complicated	Shipping Cas, Tax, Komisyen %
LELONG	Berbayar/tahunan	Perlukan SSM	Manual Shipping ikut Std Rate	-	Transaksi caj
PrestoMall	Percuma	Perlukan SSM	Manual Shipping ikut Std Rate	-	Transaksi caj

MENDAFTAR DI SHOPEE: SHOPEE APS VS SHOPEE BROWSER

Ada 2 cara untuk daftar akaun anda di Shopee. Anda hanya perlu sekali sahaja untuk daftar sebagai pembeli/penjual. 1 akaun untuk kedua urusan. Mudah bukan?

Cara Pertama: Daftar di website Shopee iaitu <https://www.shopee.com.my> atau

Cara Kedua: Download aplikasi Shopee.MY di Play Store anda.

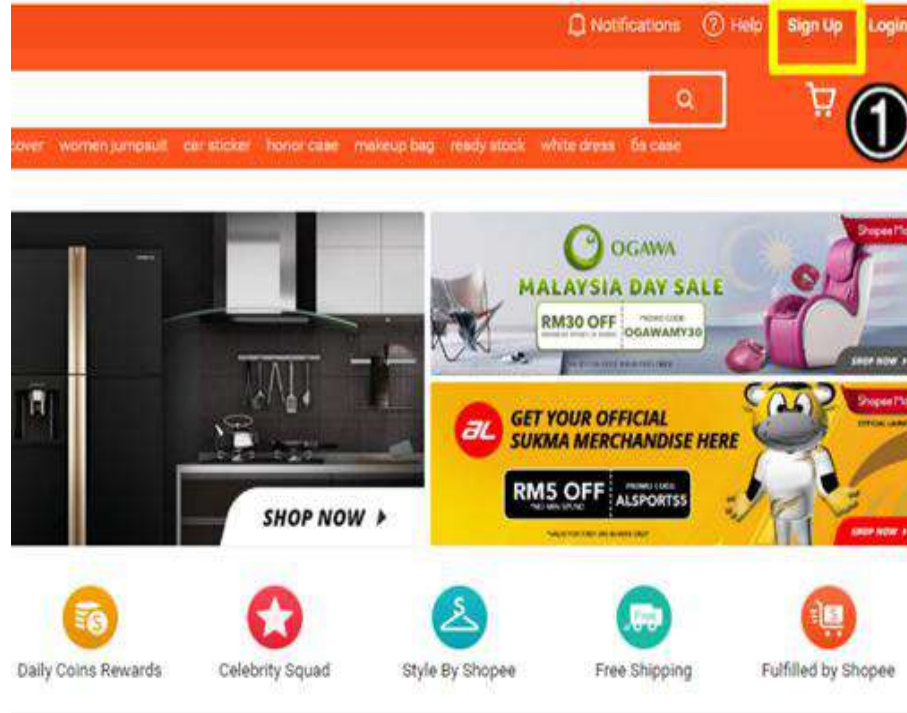

NOTA PENTING:

1. 1 akaun 1 no telefon. Anda tidak boleh menggunakan 1 nombor berkali-kali.
2. Username tidak boleh diubah setelah berjaya daftar. Pastikan anda pilih username yang sesuai untuk kedai anda. **Terkini!! Anda boleh tukar username anda setelah Berjaya memiliki 30 produk di dalam kedai anda.**

Tutorial Cara Pertama: Daftar di website Shopee.MY

1. Klik **Sign Up** pada bahagian atas website Shopee.MY
2. Daftar mengikut no HP anda yang masih aktif.

- Shopee Guarantee extended

Dan segala benda pasal order.

Bukan sahaja order dari buyer, even kita sebagai buyer pun akan dapat update dari barang yg Kita shopping di bahagian ini.

SETTING SHOPEE APPS

SETTING KEDAI SHOPEE

Sebelum mula menjual atau upload produk elok sekiranya kita setting dahulu bahagian yang diperlukan sebagai seorang Seller yang Berjaya.

Nota:

Bagi no 5 dan 6 anda boleh biarkan sahaja setting tersebut. Tidak perlu diubah.

The screenshot shows the 'Account Settings' page in the Shopee app. The settings are organized into several sections: 'My Account', 'My Profile', 'My Addresses', 'Bank Accounts / Cards', 'Settings', 'Chat Settings', 'Notification Settings', 'Privacy Settings', 'Blocked users', and 'Language'. Annotations include yellow hearts with numbers 1 through 7, and orange arrows pointing to the 'Social Media Accounts' and 'My Addresses' sections.

Kenali Kempen Shipping di Shopee

Okay pernah tak anda melihat seller-seller di Shopee sekarang ada pelbagai label muncul di item kedai mereka?

Contoh2 item yang anda lihat di Shopee. Jadi, kita ada beberapa jenis shipping program di Shopee iaitu normal RM40 free ship, RM19 free ship dan RM19 + Cashback atau Cashback sahaja. Setiap program ni ada lain2 cas yang dikenakan okay. Jadi kira betul2 untung anda dan barulah join. Jika sudah join, kira pula order volume untuk pastikan anda tidak rugi

Cas Seller (Latest Update)

	Normal Service Fees (Before 14 Apr)		Subsidised Fees (14 Apr - 31 May)	
	Priority Seller	Normal Seller	Priority Seller	Normal Seller
RM19 Free Shipping Package	1.5%	3.0%	0.5%	2.5%
10% Coins Cashback Programme	4.0%	4.0%	3.0%	3.5%
RM19 Free Shipping Package + 10% Coins Cashback Programme Bundle	4.5%	6.0%	2.5%	5.0%

Note: Fees shown above are before SST

Ada pelbagai kategori seller under Shopee ni.

Normal Seller = RM40 free ship, RM19 free ship, 10% cashback or RM19 + 10% cashback

Priority Seller = Seller terpilih oleh shopee. Yang ni saya kurang arif kerana kurang pendedahan. But this is level VIP seller la ni. Untung kalau u ols dapat kan?

Kat sini tak bagitau, kalau anda kekal FS40, cas anda ialah 2.2% sahaja ye

Kiraan Cas Transaksi Shopee

Jika anda tidak join mana-mana program shipping Shopee atau hanya join basic free ship iaitu RM40 free ship, Shopee hanya akan cas anda sebanyak 2.2% sahaja.

Saya dah terangkan ada beberapa jenis seller di Shopee kan?

Cas konfirm setiap seller = 2.2%

Jika anda join mana2 pakej seller yang disediakan maka anda akan dicas tambahan sebanyak:-

FS19 = 2.2% + 3.0%

10% Cashback = 2.2% + 4.0%

FS19 + 10% Cashback = 2.2% + 6.0%

Okay. Jelas ye? Jadi sebelum join pastikan anda sudah kira untung rugi, dan sentiasa pantau sales anda setiap bulan untuk pastikan pakej anda berbaloi atau tidak.

Cara Withdraw Duit

Semua nak duit semula kan? Bagaimana nak setup atau withdraw duit di Shopee?

1. Pastikan anda sudah lengkapkan nombor akaun anda di Shopee
2. Setup 6 digit PIN. Pin ni penting untuk anda keluarkan duit anda. Takde pin takle keluarkan duit.
3. Dua cara nak withdraw duit. 1 – keluarkan sahaja, 2 – tetapkan auto withdraw
4. Cas withdraw ada ye, tetapi anda hanya dicas sebanyak RM0.11 sahaja jika dah lebih kuota free cas iaitu sebanyak 3x seminggu.
5. Withdraw duit hanya masuk waktu hari bekerja, sabtu ahad duit tak masuk akaun ye

Cara Uruskan Refund/Cancel

Normal sangat masalah ni. Tak semua indah kan? Saya juga hadapi byk masalah ni. Ok baik.

Secara normal, buyer boleh cancel order secara automatik dalam masa 1 jam selepas order.

So anda tak perlu buat apa-apa, Shopee hanya akan update Order Cancel sahaja.

2. Anda dah uruskan tetapi customer nak cancel.

- Jika belum proses, terpulang pada anda. Tapi takde halla nak terima, anda pun belum pos barang kan?
- Jika dah proses, anda boleh REJECT permintaan buyer

3. Produk dah sampai, tapi ada masalah kat produk tu. Sama ada defect ke tak cukup ke.

- Anda beberapa option
 - Return dan refund (buyer return balik produk guna cara yang shopee sediakan, dan refund hanya berlaku once anda dapat produk tersebut)
 - Refund partial (atas budi bicara anda refund sebahagian daripada jumlah bayaran customer)
 - Biaca luar shopee. Uruskan tempahan anda dengan buyer di luar shopee dan completekan transaksi kalian.

Below this, the 'Balance' is shown as RM 7.33, with a warning message: 'Your balance is low, please top up to ensure that your promotion won't be interrupted'. A red 'Top Up' button and a 'Transaction Details' link are also visible. The main content area is titled 'Keyword Ads' and includes links for 'Introduction', 'User Manual', and 'Tutorial Videos'. It features a date selector set to 'Yesterday' and an 'Export Data' button. The 'Overall Statistics' section shows: Impression 181, Clicks 14, CTR 7.73%, Orders 0, Items Sold 0, GMV RM 0.00, and Expense RM 0.58. A line graph below shows the performance over the day. The 'Products Statistics' section has a search bar and a '+ Add New Keyword Ads' button. A table lists the ads, with one entry for '[Unlisted]Al Quran Tagging ...' with a budget of 'No Limit' and a status of 'Paused', highlighted by a yellow box labeled 'Contoh' with an arrow.

Shocking Sale ini bukan semua seller dapat, anda boleh semak dahulu status Kedai anda di Seller Center sama ada dapat invitation atau tidak. Jika tidak, Tunggu sahaja Shopee untuk aktifkan SS bagi kedai anda. Saya sendiri tiada SS Mungkin juga kerana produk2 di kedai saya sendiri tidak boleh diturunkan harga.

Tidak semestinya wajib masuk SS, kerana harga SS adalah terlalu rendah untuk difollow. Jika produk anda, produk yang tidak dibenarkan main harga. Tidak mengapa. Ada banyak cara lain Untuk mempromosikan kedai anda

Shopee's standard shop template. Suitable for all shops.

Paling penting ialah anda aturkan dan isikan perkara/produk yang anda ingin HIGHLIGHTKAN

The screenshot displays a website builder interface with a left-hand sidebar and a main content area. The sidebar includes a 'Component' section with a 'Banner' icon and a 'Template' section with a 'Template' icon. The main content area features a top navigation bar with 'Preview', 'Save', and 'Publish' buttons. Below this, there are three product cards with prices: RM120.00, RM156.00, and RM139.00. The main content is organized into sections: 'Alquran Collection' (with a 'See All' link), 'Muslimah Collection Wear' (with a 'See All' link), and 'Sabella Boutique Fashion Muslimah' (with a 'See All' link'). Each section contains product images and titles. The 'Alquran Collection' section includes 'Manual Al Quran Tagging (Tag...)' for RM39.00, '383 Tagging Alquran Tag...' for RM135.00, and '383 Tag Safeeya A5 Al Quran Ta...' for RM175.00. The 'Muslimah Collection Wear' section includes 'Elsajida Instant Shawl Printed...' for RM49.00, 'Elsajida Instant Shawl Bellaros...' for RM49.00, and 'Bagpack Niqabis Muslimah Tote...' for RM70.00.

The image shows a product management interface. On the left, there are two category sections. The first is 'Islamic Watches' with a 'See All' link. It contains three product cards: 'Jam Buruj Exclusive Jam...' (RM498.00), 'Jam Buruj Watch Buruj Arabic...' (RM220.00), and 'Jam Buruj Watch Jam Buruj...' (RM189.00). The second section is 'Top Seller DMS360' with a 'See All' link, showing three product cards. On the right, a modal titled 'Add Product by Category' is open. It has a close button (X) in the top right. Below the title is a text prompt: 'Showcase your top products here. We recommend that you start with your most popular categories.' There are two input fields: the first contains 'Islamic Watches' and '15/40'; the second contains 'Islamic Buruj Watches' and 'Reselect'. At the bottom of the modal is a large green 'Save' button.

Pastikan kedai anda dah setkan ACTIVE CATEGORIES kay.

Shopee Live

Bercakap dengan live, jika anda suka buat live memang best!! Anda boleh live selama anda mahukan dan promot produk jualan anda.

Kelebihan live?

- dapat dilihat oleh semua buyer di Shopee kerana kedudukan Live anda boleh dilihat secara terus sama seperti Shopee Shocking Sale.
- Boleh terus buat sales semasa Shopee live.

PREFERRED SELLER (PS)

KENAPA SEMUA ORANG NAK JADI PS SHOPEE? BEST KE TAK
BEST?

JOM KITA LIHAT KEBAIKKAN DPT TITLE PS DARI SHOPEE

KENAPA NAK AIM PREFERRED SELLER SHOPEE???

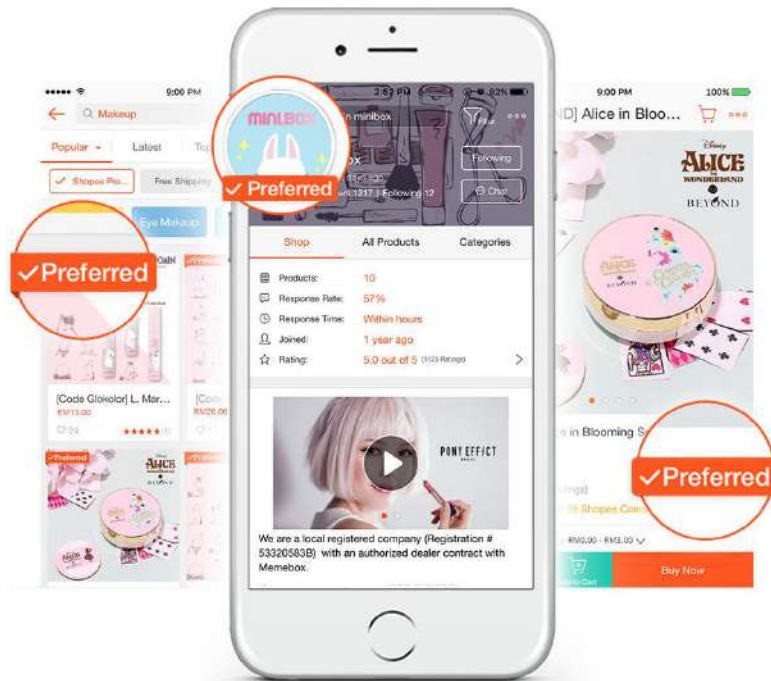

1. Dah namanya Preferred Seller = Seller yang diutamakan oleh pihak shopee erti kata lain, mendapat pengiktirafan dari Shopee dari segi kepercayaan dan servis yang cemerlang. Customer nak beli barang selalunya nak trusted seller kan? Automatik kita akan rasa nak order dengan PS
2. Customer dapat tolak duit Reward Coin bila shopping dengan PS. Jimat juga duit nak dibelanjakan 😊
3. Shopee suka buat kempen ye tak? Kejam-kejam kempen, kejam-kejam penjimatan tak masuk akal. Ok apa kaitan? ADA! Kempen2 ini bila ditebus ianya ditebus dengan kedai2 yang ada status MALL dan PREFERRED SELLER! Jadi ada kemungkinan tinggi kedai anda as PS mendapat tarikan drpd kempen2 ini dan anda juga boleh iklankan kempen ini supaya customer beli di kedai anda dengan claimed kempen2/ dan event dari pihak Shopee. Dan jangan risau, setiap diskaun yang Shopee beri pada customer, awak TIDAK RUGI 😊

Higher chance to be featured in campaigns on Shopee

Who are Preferred Sellers?

Preferred sellers are a special group of sellers selected by Shopee due to their excellent sales and customer service. Sellers will have the preferred badge attached to their listings and shop.

Buyers earn Shopee Coins when they purchase from Preferred Sellers

Increase your chance to be part of this exclusive club by following these steps:

Build up a strong sales record

Sell good quality products

Price your products competitively

Maintain high shop ratings

Respond to customers' chats promptly

Ship out orders on time

Bagaimana Nak Jadi Preferred Seller?

Ada kriteria yang harus anda ikuti, jika anda dapat follow kesemua list yang diberikan insha Allah anda bakal mendapat title kehormat Preferred Seller Shopee:-

Performance Criteria	Requirement
Monthly New Orders	Minimum of 75
Monthly # of Unique Buyers	Minimum of 35
Cumulative Chat Response Rate	Minimum of 70%
Cumulative Shop Rating	Minimum of 4.6
Penalty Points	0 points in the current quarter
Product Listed	100% Authentic
Ready Stock %	More than 90%

Best Ke Shopping Dekat Shopee?

Anda perlu rasa sendiri best ke tidak shopping dekat Shopee. Anda perlu rasa dan tahu cara untuk membeli produk, mencari maklumat, dan menguruskan belian anda sendiri di Shopee.

Dengan cara itu, anda akan dapat jadi seller yang lebih baik.

Ambil TAHU tentang REWARD COIN.

Ambil TAHU tentang pengurusan SHIPPING dan KUOTA SHIPPING yang diberikan.

Ambil TAHU mengenai info terbaru dari SHOPPEE dan KEMPEN yang disediakan.

Gunakan peluang yang SHOPEE BERIKAN untuk anda boost sale anda di SHOPEE.

Kerap share produk jualan anda ke media social agar keyword dan produk anda mampu dicari oleh ramai orang/ prospek.

Q & A

1. **Berniaga kat Shopee ni ada hidden caj tak?**

- Ada, buat masa sekarang anda dikenakan 1% pada setiap order anda.

2. **Boleh ke saya jadi dropship tetapi berniaga dekat Shopee?**

- Boleh tiada masalah langsung.

3. **Boleh ke saya jadi dropship kepada supplier di Shopee?**

- Boleh dan tidak boleh. Tidak boleh jika anda mahu buat dropship kepada supplier di Shopee dengan cara beli di kedai Shopee tersebut berulang kali. Akaun anda dan juga seller tersebut boleh dikenakan sekatan oleh pihak Shopee. Boleh jika anda juga menjual di Shopee dan kemudian berurusan dengan seller tersebut di luar Shopee.

4. **Shipping Shopee ada 2 jenis option, boleh ke saya kekal sahaja pakai Option 2?**

- Boleh tiada masalah. Anda lebih tahu yang mana terbaik untuk anda. Memandangkan Shopee tidak ada lagi subsidi poslaju. Elok kalian sign up sahaja SSL nanti boleh survey2 tokei produk kat Shopee.

Q & A

5. Jika produk dah sold out, tapi customer dah buat order macam mana?

Request buyer untuk cancel item order mereka, anda jangan cancel. Kalau anda cancel sendiri, shop anda akan dapat % cancelation. Ini memburukkan performance kedai anda. Chat baik2 dengan customer tuk cancel item order mereka kay. Cuba dulu 😊

6. Saya op 1 (SSL) ada banyak supplier, walaupun dah tulis kat description supaya order asing customer tetap tak ikut. Macam mana saya nak buat?

Ok. Ada beberapa solusi.

A) jika keuntungan tinggi, anda boleh poskan 1 lagi produk secara manual.

B) bincang dengan buyer dan maklumkan keadaan anda, tambah cas postage jika anda tidak mampu untuk cover postage tambahan.

3) refund 1 lagi item tetapi refund dengan kaedah anda refund duit ke customer di luar shopee. Jadi anda tidak rugi sepenuhnya.
